COMPETITION 2020

National  
Winners

CareTech

# *It gives us great pleasure to announce the National Winners of our Arts and Crafts Competition 2020!*

A huge *'Thank You'* to every service user, resident and student who sent in their incredible, colourful and creative artwork from every region, and our gratitude to all staff who supported their fantastic efforts this year.

This year, due to the size of the organization and the number of wonderful entries we received, we feel it is only fair and appropriate that the efforts of both Adult and Children's services are rewarded in our contests.

With this in mind two winners were chosen, one from each category...

## CareTech

From our ten fantastic Regional Winners our judges have awarded the National title to:

*Minstead House*

Congratulations to Matthew Meah, Edward Walker, John Elmore and Elisa Anderson at Minstead House (Midlands region) for their bright & beautiful, elaborately decorated peacock.

We are pleased to announce our other  
national winner

## *Cambian Hartlepool School*

Congratulations to Louise Pulford from Cambian Hartlepool School for her brilliant and thoughtful all-seeing eye globe held by a pair of hands.

Congratulations to all at Minstead House and to Louise - your prizes will be winging their way to you very soon!
