MEET THE DETERMINED

CareTech - official sponsor to Team GB at the 2019 Special Olympics World Summer Games in Abu Dhabi.

As part of our strategic partnerships and international strategy, CareTech is delighted to have supported the Special Olympics GB team at the World Summer Games in Abu Dhabi. ®

Held every four years and open to athletes with intellectual (learning) disabilities including autism and Down Syndrome; this year's World Games was the largest humanitarian sporting event globally!

Taking place from 14th-21st March, **#TeamSOGB** sent a delegation of 128 athletes to compete against athletes from 200 different countries.

The Games consisted of seven days of competition in 24 sports represented by 7,000 Special Olympics athletes from all over the world. An estimated 500,000 spectators watched on as well as a worldwide audience of millions!

CareTech staff were there from the initial SOGB team send off at Heathrow Airport all the way through to the spectacular Opening and Closing ceremonies; providing support and encouragement all the way.

Haroon Sheikh, Group CEO, spoke at the Welcoming Reception for the GB team at the British Embassy in Abu Dhabi, alongside British Ambassador to the UAE, H.E Patrick Moody.

These World Games are a real highlight on the world sporting calendar and Team SOGB excelled against the competition winning an outstanding tally of **63 Gold, 57 Silver and 49 Bronze Medals!**

A truly remarkable achievement, CareTech is so proud of everything that the athletes achieved. Looking forward to Liverpool 2021 and Berlin 2023 where once again Team SOGB will take on the world!
